A passport or other device to ensure that attendees visit all exhibitors. The complete "passports" become eligible for a draw.

We think it was wonderful, appreciated being included.

Not as jam packed with other events during the vendor show - it will create more foot traffic.

It was difficult to hear when the microphone was used - could not understand the speaker

Great show thank you

Finding a solution for how loud it is inside. It was great otherwise.

I thought it was a good show throughout

Acknowledge sponsors at prize draw

Great event, well organized

Was great and well attended

It was great

Maybe don't schedule events during the time of the vendors.

Room to get in and out of booths especially those bordering on the play area.

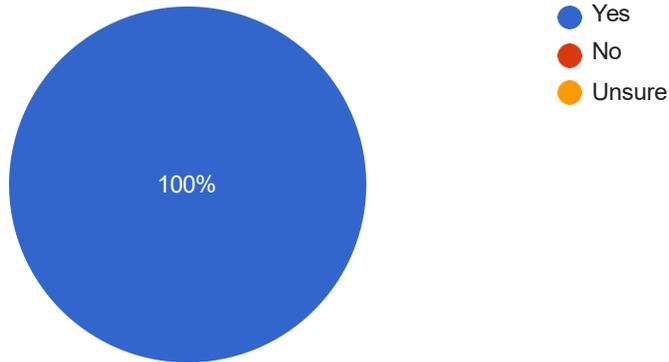

Live music!

Excellent this year

Well done!

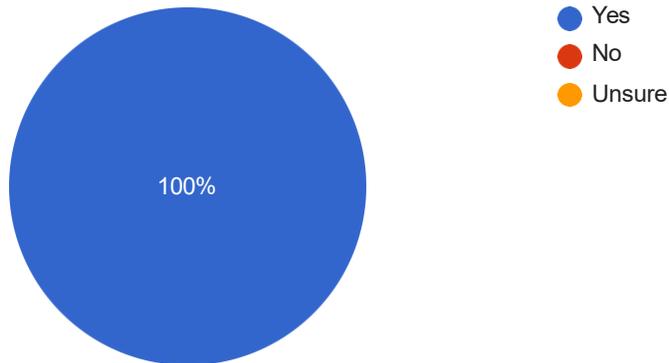

My time was well spent at the Fair.

Thank you

Well organized, great attendance

Well done!

Could use a bit more space between vendors or at least a way to get out easier for vendors in the middle.

5 Star

Thank you!

Very well done. Would love to attend again next year.

Loved it!

Attendance was great - probably more than anticipated judging by the limited lunch availability.

It was a very positive event. Thank you so much

Was very well done, as always!
