

YMCA  
Northumberland

# Growing stronger together.

# ANNUAL REPORT 2023

## LAND ACKNOWLEDGEMENT

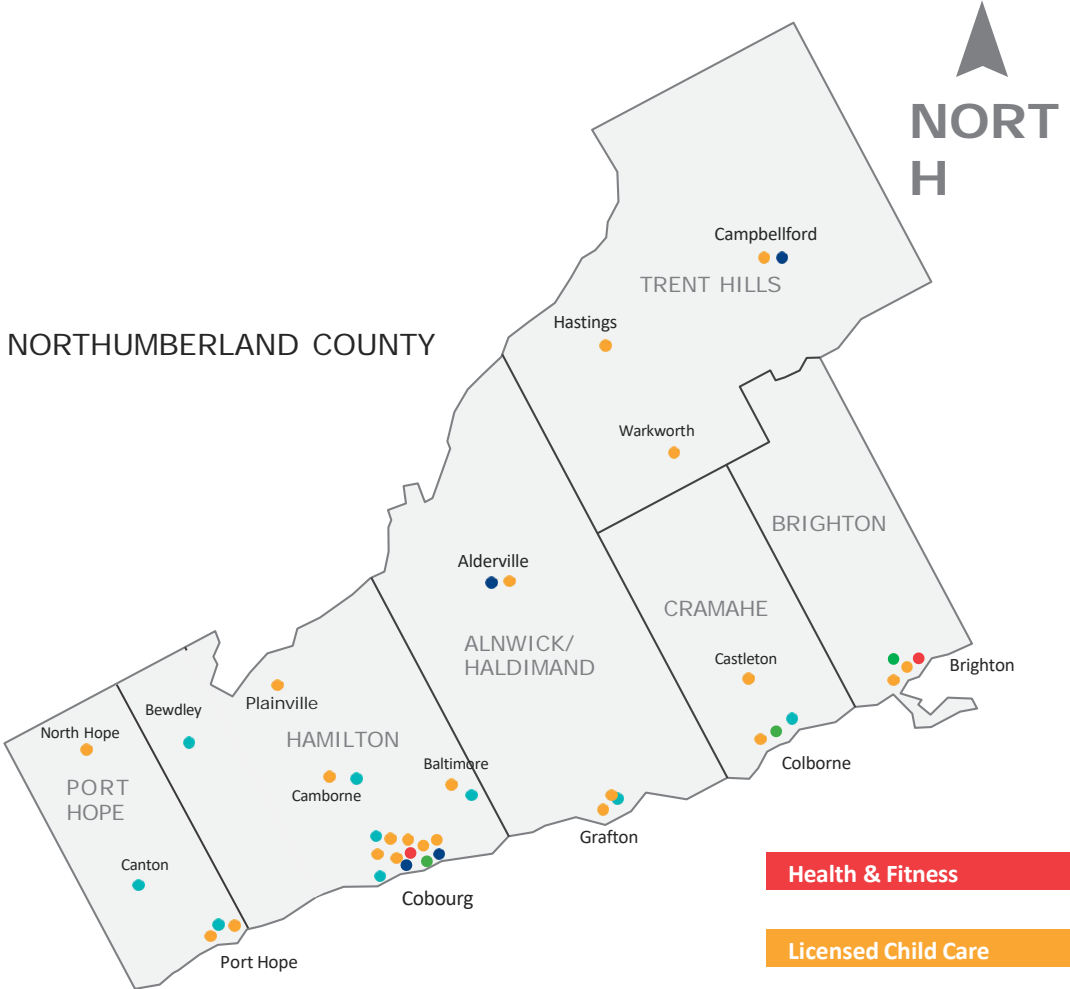

YMCA Northumberland is situated on land that is the treaty and traditional territory of the Mississauga and Chippewa Nations of the Anishinabek, known collectively as the Williams Treaties First Nations.

YMCA Northumberland is grateful for our relationship with the First Nations of this territory, for their teachings about the land, the water and all our connections. We continue our journey to strengthen our understanding of our Treaty relationship and of how to move forward in a positive way.

We acknowledge the contributions and accomplishments of all Indigenous people across this territory, current and throughout history.

# MESSAGE FROM BOARD CHAIR AND CEO

Dear Members and Community Supporters,

As we reflect on the achievements of the past year, we are filled with gratitude and pride for the progress we have made in advancing our mission of strengthening the community. In 2023, YMCA Northumberland embarked on a transformative journey, guided by the renewal process of our Strategic Plan, which focuses on four essential pillars: A Thriving Organization, Strong Programs & Services, A Vibrant Organizational Culture, and Resilient Partnerships & Relationships.

One of our significant accomplishments was solidifying the partnership agreement with Trent Hills to operate a full suite of YMCA facilities in the new Sunny Life Recreation and Wellness Centre in Campbellford, scheduled to open in the Fall of 2024. This collaborative effort will provide state-of-the-art facilities and enriching programs aimed at promoting health, wellness, and inclusivity.

In our commitment to community well-being, we re-engaged in discussions with the Town of Cobourg to explore expanded recreational options. With the full support of the Council, we are excited to move forward with these discussions, enhancing recreational opportunities for our growing community.

We are also pleased to announce our agreement to be a member of the Collaborative Partnership Table, overseeing the operation of the new Youth Wellness Hub opening in Port Hope in the Fall of 2024. This initiative will play a vital role in supporting the well-being of youth in our communities.

Additionally, we are proud to have signed onto the Canada-wide Early Learning Childcare System. This initiative underscores our commitment to providing accessible, high-quality childcare options, supporting parents in our community in accessing affordable and reliable childcare services.

Furthermore, we are thrilled to announce the expansion of our partnerships in the communities of Warkworth, Canton, and Cobourg.

Through these collaborations, we will be able to provide an additional 111 licensed childcare spaces in 2024, ensuring more families have access to quality early childhood education and care.

Furthermore, we began the process of compliance with the revisions to the Ontario Non-For-Profit Charitable Act, reaffirming our commitment to transparency and accountability in our operations.

Celebrating milestones, we have successfully completed all the project work required from the various Ontario Trillium Foundation Grants, totaling \$850K. This achievement is a testament to the dedication and hard work of our team.

Moreover, our support for our international partner, YMCA Nicaragua, continued with ongoing development projects at the Acahualinca Youth Centre. Hosting Marvin Granera, General Secretary for YMCA Nicaragua in March 2023, allowed us to exchange experiences and strengthen our global YMCA family.

None of these achievements would have been possible without the dedication and commitment of our Board of Directors, staff, and volunteers. We extend our sincere gratitude for their unwavering support and tireless efforts in staying true to our mission and vision.

As we look ahead to the future, we are excited about the opportunities that lie ahead and remain committed to serving our community with excellence and compassion.

Warm regards,

*Elizabeth Vosbyl*

*Gene Kluppel*

## IN MEMORY OF

### Ken Stubbings (1962 – 2023)

Ken was born in Lindsay, Ontario. Not long after his marriage to Lynn in 1985, they made Cobourg their adopted home and remained embedded in work, recreation, and community life here since that time. Ken was a highly respected member of the Northumberland County staff for 35 years and 10 months (in Ken’s words). He rose to the position of Health Safety Emergency Risk Manager, a position he held for the past 20 years until his retirement at the end of 2022. Ken was a master carver, woodworker and accomplished athlete completing 105 marathons (and several ultra marathons) breaking the challenging 3-hour barrier on many occasions.

He never hesitated to lend a hand when he had spare time. An active volunteer with his wife Lynn, Ken assisted with many YMCA Northumberland events for over 35 years. He is greatly missed by his devoted wife Lynn, his YMCA family and anyone who had the privilege to know Ken.

### Laurie Gourd (1972 – 2023)

Laurie worked with YMCA Northumberland for 18 years in the child care department. During her time with us, she wore many hats. She was a Supervisor, Camp Leader, Child Care Team Lead, BLS Instructor, Child Protection advocate, Self-Regulator expert, and the list goes on, but first and foremost she was an Educator. Laurie had a unique way of connecting with children. No matter what age or struggle they had, she treated children with respect and compassion. In doing this, she created the most caring relationships with the children she worked with. When children were going through tough times, Laurie connected with them, validated them, and made them feel heard.

Laurie was not only capable of creating these amazing relationships with children, but her leadership impacted everyone with whom she worked. Her years of experience and knowledge inspired Educators to grow in their own ways. Laurie was a beacon of light everywhere she went. She filled the room with laughter, gave the best hugs, and always checked on you. Laurie cared so deeply about the people around her and it showed.

### Bruce McMeekin (1958 – 2024)

Bruce McMeekin was an active YMCA member for several years and joined our YMCA Board in 2023. Bruce passed away in March shortly after being diagnosed with pancreatic cancer.

Bruce enjoyed a lifelong career in law. Upon his call to the bar, Bruce joined Miller Thompson LLP. Among his proudest career moments were his involvement in the Walkerton Inquiry and appearing before the Supreme Court of Canada in 2013. After many fulfilling years at Miller Thompson, Bruce went on to found J. Bruce McMeekin Law.

## ROD'S STORY

Rod Simpson and his family made their way to Cobourg in 1998. With a newborn in tow, they were eager to put down roots in their new community. The YMCA quickly became their go-to spot for both forging connections and staying fit.

As Rod's family grew, so did his YMCA involvement—joining programs, meeting other families, and pursuing his evolving fitness goals. It also provided a space for him to run during the winter months and aided in injury recovery. The Y was there for him every step of the way.

But it wasn't just about personal milestones. Watching his kids and many others thrive in the varied YMCA programs confirmed Rod's belief in its power to transform lives. It was clear that the YMCA was making a positive impact not just on his family, but on the entire community.

Inspired, Rod decided to give back. In 2012, he started the Northumberland Turkey Trot, a heartfelt endeavor to support the YMCA's Strong Communities Campaign and he eventually partnered with YMCA Northumberland to host and promote it.

What began as a humble initiative has blossomed into a beloved Thanksgiving tradition, **uniting over 3000 people and raising upwards of \$40,000 in crucial funds for the YMCA's mission** since its inception.

***“Continuing to see the Y engaging with the community at large reinforces my belief that the Y does good things.”***

But Rod's contributions don't end there. Over the years, he has generously volunteered his time and expertise to countless other YMCA events, including the spirited Reindeer Run and the empowering Strong Kids Duathlon.

Each effort is fueled by Rod's unwavering dedication to building a healthier, more connected community.

***“I believe the Y is important because it helps push forward and maintain the agenda of a balanced and healthy community.”***

Rod firmly believes in the YMCA's pivotal role. Its diverse programs, catering to everyone from new moms to youth to seniors, are integral in promoting balanced and healthy lifestyles. Beyond fitness, the YMCA provides opportunities to contribute, further strengthening the bonds that unite us all.

Rod's story serves as a testament to the power of volunteerism and community engagement. He has not only enriched his own life but has touched the lives of countless others, leaving an indelible mark on Northumberland County. His commitment to the YMCA exemplifies how, together, we can create a stronger future where every individual can shine.

# ANGELICA'S STORY

The YMCA has played an essential role in the life of Angelica Zinke, spanning generations and life's challenges. It all began with childhood swimming lessons and school outings at the YMCA in Cobourg, Ontario. For a long time, her mom took her and her siblings to swim at the Y pool weekly. Post-swim outings to Wendy's became a cherished tradition, remembered fondly by a lifelong friend even after 25 years.

When Angelica's family faced difficult times, the YMCA was generous enough to provide free coupons so that her, her siblings, and her mom could access facilities. Also, the YMCA offered a reduced membership rate when she approached the end of high school and lived independently.

Later, when she gained custody of her niece and nephew, the YMCA again provided crucial assistance and access, allowing the kids to use their services after school, bridging a daily commute challenge.

***"About seven years ago I was given custody of my niece and nephew and needed some support. Again, the YMCA provided support for myself as well as my niece and nephew."***

After university and law school, Angelica returned to Northumberland and has since received additional YMCA support. As a new lawyer and parent, the YMCA became integral, especially when her eldest daughter, Raina, joined the Toddler Pre-school program in 2020. Raina's journey with the YMCA was uniquely significant, especially during the pandemic. Observant teachers noticed early signs that led to Raina's ASD diagnosis.

The YMCA facilitated a referral to Five Counties Children's Centre, initiating crucial therapies that transformed Raina's development. Today, Raina thrives with the YMCA's ongoing support, providing her with essential care and ensuring a smooth transition to her classroom. This support extends to Angelica's other daughter, Rylan, who, like Raina, benefits from additional accommodations and loving attention from YMCA staff.

***"Raina has amazing support through the YMCA. I am so grateful I am able to leave her confidently knowing she is being given the best care."***

The YMCA isn't just a service provider; it's family. From Raina's preschool graduation to Rylan's playful experiences, they cherish the bonds formed with caring teachers. The Y's inclusive and supportive environment has not only shaped her daughters' development but has also strengthened community ties. Joining the YMCA community means more than access to services; it means finding a place where care and compassion thrive.

Angelica's story exemplifies the YMCA's transformative power, turning challenges into opportunities for growth and enriching lives - **one family at a time.**

## ZARA'S STORY

Grade 11 youth, Zara Shaw's journey with YMCA Northumberland embodies dedication, passion, and commitment.

While growing up, the YMCA was more than a building— it was a place of joy, laughter, and exploration. From the excitement of attending swimming lessons to the pride of watching her older sisters contribute their talents as employees, Zara's roots within the YMCA grew quickly.

Over time, Zara's connection deepened, aligning with her personal desire to give back. Volunteering became Zara's calling, extending beyond simple activities to meaningful community work through the Youth Impact Network. She listened, organized events, and promoted inclusivity and fundraising. Zara's experiences are filled with impactful moments, like witnessing children achieve milestones, reinforcing her belief in community service.

What keeps Zara committed is not just the YMCA's offerings but the relationships and shared purpose she has experienced. One of her most memorable experiences was a simple bet with two young girls in the Fun Zone. Little did she know that this playful wager would leave a lasting impact on her. Seeing the determination and excitement in the girls' eyes as they successfully completed their headstands for four minutes filled Zara with admiration.

Moments like this remind her of the importance of fostering a supportive and encouraging environment for everyone who walks through the YMCA's doors.

Reflecting, Zara credits the YMCA for shaping her into who she is today—as it has offered her a place for personal growth, friendships, and community engagement. Through initiatives like helping at the Play Centre and Y Break Bread supper series, Zara sees firsthand the YMCA's commitment to nurturing our residents and offering opportunities for youth to grow and develop.

To Zara, the YMCA embodies compassion, community, and collective impact. Her dedication inspires all at YMCA Northumberland, showcasing the transformative power of service and community.

***“Without the Y, I don't even know what Cobourg would be.”***

# IMPACTS IN 2023

## LOOK WHAT WE CAN DO WHEN WE COME TOGETHER.

### 312

Participated in Special programs

Mothers-of-Newborns, Alternative Suspension, UpTurn (for those living with addiction).

### 620

Staff Employed & Volunteers contributed.

### 1,544

Kids and Youth participated in learning to Swim and Lifesaving Lessons.

### 1,300

Residents participated in our Community Events.

### 1,203

Children enrolled in Child Care, supporting 765 families.

### 1,010

People received Financial Assistance to gain access to YMCA programming.

### \$2,500

in subsidies provided to enable kids to attend Summer Camp.

### 5,153

Days kids spent in Summer Camps in Brighton, Cobourg and Cramahe.

### 6,283

Visits to Centennial Pool in Cobourg.

### 168,000

Visits to our facilities in Northumberland throughout 2023.

### 6,400

Members Served across our County.

# THANKS TO OUR BUSINESS COMMUNITY PARTNERS

At the YMCA, we know that by working with others, we can extend our reach and provide vital programs and services to even more people in our communities. Through partnerships with other community organizations, businesses, and individuals, we are finding new and innovative ways of meeting the needs of the communities we serve. YMCAs across the country collaborate with hundreds of partner organizations each year on initiatives that have allowed us to expand into new program areas, support under-served populations and address critical health and wellness issues.

Through the Business Community Partners Program, we come together with like-minded supporters, amplifying our strength as a community and igniting the potential within each of us. These partnerships make it possible to share our expertise, knowledge, and resources with each other, and ultimately achieve more than we could alone.
