Name of Child Care Centre: YMCA Northumberland

Date Policy and Procedures Established: September 2016

Date Policy and Procedures Updated/Reviewed: July 2023

Intent:

At the YMCA we understand that the most important people in a child’s life are their family. YMCA Educators and supervisors play a supporting role while families are at work or school. YMCA Educators are committed to connecting, partnering and engaging parents to provide the best possible care for each child. Daily conversations benefit the child, family, and the educator. They help provide consistency for the child, support educators in understanding the child and therefore planning for their success and gives families the opportunity to be part of their child’s day. The following procedure guides families, educators, supervisors and management when issues and concerns occur.

In situations where issues and concerns arise, YMCA Educators and Supervisors, together with the family and YMCA Management will work as a team to reach a resolution in a timely, confidential, fair and consistent manner.

The YMCA is guided by values that influence our actions and the decisions we make. The YMCA values are: Caring, Health, Honesty, Citizenship, Respect and Responsibility. The YMCA is a shared experience for everyone to enjoy. When conflict arises, it is expected that the conflict will be resolved in a respectful manner in keeping with the YMCA values.

¹ **Duty to Report** is defined under section 72(1) of the Ontario Child and Family Services Act and sets out what must be reported to a child protection agency (e.g. Children's Aid Society - CAS).

The YMCA is committed to a fair process when dealing with complaints. Families will be treated with respect and kept informed of the status of their complaint. The YMCA will respond within 3 business days to confirm that your complaint has been received. The YMCA aims to resolve all complaints within 30 days of receipt. If this timeline cannot be met, the family will be informed of the reasons and given a revised timeframe. Upon completion of a review, the family will be provided with reasons for the decision relating to the complaint, which will complete the formal complaint process.

Confidentiality/No Retaliation

Any YMCA educator that receives a complaint or concern shall maintain confidentiality by not discussing allegations with other individuals, except on a 'need to know' basis. For example, in some programs that receive funding from partner agencies, complaints may need to be shared with those agencies. No person who in good faith and under this policy submits a concern or complaint shall suffer retaliation.

Records

A summary of all formal complaints, including number and type, will be provided to the Board/Board Committee on an annual basis.
