UPSTAIRS CLOSURE PLANNER

ALTERNATIVE WORKOUT AREAS & OPTIONS AVAILABLE:

GYMNASIUM : WORKOUT CENTRE

A dynamic space set up for heavier lifting, pushes and pulls, featuring TRX, bench press, dumbbells, deadlift station, sled, pull up's, landmine, BOSU balls, sandbags, shuttle run lane and a mat area.

GROUND LEVEL STUDIO : GRAVITY & SPIN DROP IN

This studio will enable flexible, independent training to get a full body workout using the Gravity machines on your own. A certified instructor will be on site to guide & assist as needed. Plus enjoy spin bikes, and extras such as light hand weights and bands. Pedal, power, & defy Gravity.

UPSTAIRS STUDIO : STRETCH & SCULPT SPACE

Stretch. Move. Energize. This studio will be set up with mats for stretching, mobility work, & body weight exercises plus a limited selection of light accessories such as weights, balls and bands.
