Brighton Group Fitness Class Descriptions

September 8 - October 25, 2026

20/20/20

Class consists of 20 minutes of cardio, 20 minutes of strength and 20 minutes of core and stretch.

ARRIBA

A high energy dance based fitness party where we focus on the 4 basic Latin rhythms - Salsa, Merengue, Cumbia and Reggaeton with a splash of Dance, Bollywood, Belly Dance, Hip Hop or any other rhythm you can move your hips & feet too!

BALL STRENGTH

A strength-based class focused on stability, balance and coordination. It uses the stability ball to engage the core muscles, as well as full body muscle and conditioning.

BOOTCAMP

A type of group physical training program. This program is designed to build strength and fitness through a variety of types of exercise.

BOSU*

Consists of an inflated rubber hemisphere attached to a rigid platform. When the dome side faces up, the BOSU ball provides an unstable surface while the device remains stable. The ball class helps users coordinate muscles and nerves for unstable conditions that you experience in everyday life, but it also assists you with stretching, rehabilitation, and strength training.

CHAIR STRENGTH

Class participants will focus on light resistance training using a variety of accessories such as resistance bands, weighted balls and hand weights. Some balance will be incorporated. All exercises are performed while seated in a chair.

CHAIR YOGA

Chair yoga, a gentle form of yoga that's done while seated or using a chair for balance, makes the practice more accessible. In chair yoga, it's possible to move into poses like cat/cow, warrior, sun salutations and forward folds, all while seated.

CYCLEFIT

Burn calories and get the heart pumping. Ride your way to fitness with great music and motivational instructors.

FULL BODY CIRCUIT

A full-body workout built around timed stations that blend strength and cardio. Rotate through purposeful intervals designed to build strength, balance and coordination.

HIIT

High-intensity interval training will have you giving one hundred percent effort through quick, intense bursts of exercise, followed by short, active recovery periods.

LITE & LIVELY

A low impact, low intensity workout using a combination of movements and light weights to increase strength and develop cardio health.

MUSCLEFIT

A strength-based group fitness class helps participants develop muscular endurance and strength for an active lifestyle. Uses a barbell and plates to challenge muscles through a choreographed routine taught to music.

PILATES

Involves a series of precise movements to strengthen your core muscles while making you more flexible. You'll typically do it on a mat or with special equipment.

STEP

This is a choreographed Step Class. It is designed to push your cardio into high gear.

STRONG BODIES

A moderate intensity, fat burning, muscle sculpting workout that includes strength and cardio interval training for the entire body. Each instructor will bring their own unique approach and variety to this long loved class.

TABATA

Get ready to move through short intervals with quick recovery periods targeting strength, cardio, core and balance. Work at your own pace. All fitness levels welcome.

WEIGHT AND C

A high energy session that uses weights and cardio to focus on engaging multiple muscle groups & emphasizes strength and endurance. This combo of cardio and strength training is suitable for all levels of fitness and is delivered in various formats.

YOGA

Increase flexibility, release tension and make the mind and body connection in this class through breathing, postures and relaxation techniques.
