Class Descriptions

CAMPBELLFORD YMCA

September 7 - December 20, 2026

Bootcamp

Combining dynamic strength exercises and heart-pumping cardio intervals, this full-body workout builds power, stamina, and agility. For all fitness levels, with modifications available to help meet your goals and leave feeling accomplished and energized!

Chair Pilates

Explore Pilates fundamentals in this beginner-friendly low-impact class that improves flexibility, core strength, and posture. Focused on controlled movements, alignment, and mindful breathing..

Core & Strength

Strengthen your foundation in this full-body workout focused on enhancing core stability and overall strength. Through a mix of targeted and strength-building exercises, improve balance, posture, and functional fitness. Suitable for all fitness levels using a variety of equipment and bodyweight moves.

Cyclefit

Burn calories, build solid endurance and get the heart pumping - ride your way to fitness with great music and motivational instructors for this 45 min ride. Our specialized ICG bikes provide a customized fit and can be set for each individual rider's fitness level.

HIIT

High-intensity interval training will have you giving one hundred percent effort through quick, intense bursts of exercise, followed by short, active recovery periods.

POOL CLASSES

AquaFit

An excellent low impact, calorie burning, full body workout that is gentle on the joints and great for participants recovering from injuries.

Aqua Yoga

Uses a combo of yoga principles and water's buoyancy to enhance flexibility, strength, and balance. Supports movement, reduces joint stress, and is suitable for all fitness levels.

Gentle AquaFit

Offers a low-impact, full-body workout that is easy on the joints while effectively burning calories. Ideal for participants recovering from injuries, provides safe, supportive sessions to improve strength and flexibility.

Mat Pilates

This beginner-friendly mat pilates class builds strength from the ground up in a supportive, welcoming space. We focus on breath, alignment & mindful core work to help you feel stable, strong & confident in your movements. You will be guided step by step with plenty of options for moving at your own pace..

Pilates / Beginner Pilates

Includes core-strengthening and flexibility exercises while moving through controlled movements. Classes focus on improving strength, posture, balance, and overall body awareness in a supportive environment.

Prime Time

Geared to adults 55+, this gentle intensity workout focuses on cardiovascular fitness with low impact aerobics, strength through resistance training and endurance with repetitive moves. Each class includes focus on balance, core strength and flexibility.

Stretch for Wellbeing

A slow mindful class for anyone looking to move with more freedom and less stiffness. Unlock the fascia, release tension, speed up your gym recovery, and restore your body for the week ahead. You will leave feeling longer, lighter, and completely relaxed.

Strong Bodies

A moderate intensity, fat burning - muscle sculpting workout that includes strength and cardio interval training for the entire body. Each instructor will bring their own unique approach and variety to this long loved class.

Total Body Circuit

A full-body workout built around timed stations that blend strength and cardio. You will rotate through purposeful intervals designed to build total-body strength, improve balance and coordination, and support heart health.

YOGA CLASSES

Chair Strength / Chair Yoga

Focuses on improving flexibility, strength, and balance through seated and standing poses while promoting relaxation and mindfulness. Ideal for beginners or those with mobility challenges.

Family Yoga

Families can experience the benefits of yoga in a fun, relaxing and supportive environment. Includes a playful mix of easy poses, stretches, and breathing exercises plus storytelling and gentle games designed for adults and kids (ages 5-12) to enjoy side-by-side.

Gentle Flow Yoga

This gentle flow yoga class is a quiet invitation to slow down and truly listen. Through smooth, unhurried transitions and steady breath, we create a practice that feels nourishing yet purposeful.

Restorative Yoga

Melt away stress and prepare your mind & body for a restful night in this all-levels class meant to unwind and recharge. Using props/bolsters, you'll ease into gentle, supportive poses without any active standing or sweating. Enjoy pure relaxation and deep breathing.

Yoga

This all-levels class enhances flexibility, strength, and relaxation. Through a series of mindful, dynamic movements, stretches, and poses, improve balance, posture and metabolism while reducing stress.

MOTHERS OF NEWBORNS

****Requires Mother's of Newborns Membership**

Baby Water Bootcamp

Within water, exercises are used to improve your strength and stamina while baby is able to float and play using our baby floating devices. This program is always a baby favourite!

Mom & Baby Tabata

Boost energy and bond with your baby in this fun Tabata class, that combines short bursts of strength and cardio, designed safely for moms of all levels.

Find ongoing fun & active events for adults, seniors, youth & children happening at your Campbellford Y here:

OUR STRONG COMMUNITIES CAMPAIGN

The YMCA is committed to building healthier communities, creating opportunity, fostering potential, and encouraging belonging. If you require financial assistance for any programs please email Leanne Clarke at leanne.clarke@nrt.ymca.ca
